

Coleta Sportsmen's Club

Coleta Sportsmen's Club is in the process of installing electronic lock systems on the two entrance gates to Club property. These locks will utilize a swipe type of pass card and will become active on January 31st 2018. When paying your 2018 dues, **new pass cards will be issued to you**, but you will continue using the series 4 keys you currently have until January 31, 2018.

Please return ALL Gate Keys in your possession between Feb. 1st and February 28th 2018. You can Mail them to Dave Lockhart at: 26945 Covell Rd, Sterling, IL 61081, you may drop them off at Rigler's Sporting goods during normal business hours, you may drop them off at the trap club house on Thursdays between 1:30 pm and 4:00 pm or bring them to our monthly business meeting February 19th 2018 at 7:00pm. After March 1st anyone with outstanding gate keys will have their new pass card deactivated until keys are received or arrangements are made.

Sorry for any confusion or inconvenience during this change over.
