Unfinished Business

- 1 Pond Report: Still checking if Otters can be trapped out of season as they are eating a lot of fish out of pond.
- 2 Basement sealing, painting, gravel under skeet canopy, and cement in front of Trap Club House all on hold until 2021. Spent money and worked on Trap Cribs and High House retaining wall
- 3 Aluminum Docks still on hold.
- 4 Archery Clubhouse, soffit, ceiling, insulation, tables? Kevin Cook getting additional estimates. Paula, Amish if contacted will probably be raising their original bid. Al said he's been spraying inside and smell is getting better. Kevin stated he painted ceiling twice with Kills but stain still showing. Will see if he can find someone willing to go up in attack to see what it looks like up there.
- 5 Insurance claim for losses, file by March 2021.
- 6 Discussion on price of targets going up. Simon from Sinnissippi Rod & Gun Club said he can unload 2000lb pallets at Coleta if we get them there on a trailer. Will try to work something out between Paula, Simon and Midwest Target when we need another supply.
- 7 Kent Bushman is getting a quote from WACC on plasma cutting a sign. Possibly use aluminum if possible. Kevin Cook will also look into having a sign made, Kent will send him copy of sign with Club Name and Logo.

New Business

1 Paula brought up that the Wiersema dumpster is now Republic who said rates will go up in a year. As of now Club has a one year contract with Republic, may do some shopping around next summer.

2 Al brought up ordering catfish, appears it's too late and really don't want to put more in until Otters are out of pond since they seemed to have eaten 90% of what was stocked last fall.

3 Drawings for Club Hunts: Coon Hunt Chris McCauley – Deer Hunt Chris McCauley and Kevin McDaniels.

Meeting adjourned at 8:05pm
