Minutes from September meeting passed out, no corrections. Approved

Unfinished Business:

- 1 Pond report: Water low otherwise looks good. Still something digging holes, nuisance permit will take us to trapping season. Dave Lockhart and Rob Miller to look into someone with excavator maybe digging some out since they could get out farther with water low. Rob talked about have silt basin built on South End also.
- 2 Basement sealing and painting, concrete in front of Trap Club. Maybe in 2022
- 3 Aluminum docks-Still need to get them in. E. Dock and T Dock both need some work done on them and would be good time with water being low.
- 4 Archery Clubhouse, estimates on removing sheetrock, painting black, sealing along edges and putting insulation in attic. Nothing to report, Kevin Cook had said people that rebuilt entry might be interested in doing something during winter. Dave Lockhart will check with Kevin.
- 5 Club Sign. Kent Bushman has dealt with 4 companies who don't get back, ideas keep changing, spent way too many hours for nothing to show so he's done working on the big sign. Two people have mentioned it wasn't there since it went down approximately 18 months ago. Someone mentioned smaller signs at corner and gates with arrows directing people and stating what we have on the grounds. Paula Adams said she could maybe look into it during winter.
- 6 Family Fun Day 9/25/21-84 kids registered by Noon cutoff, a few more showed later. Some prizes left over that Paula Adams will keep for next year's event. Those that were up above thought the Axe Throwing was busy the entire time it was there.
- 7 Shooting Range Cameras-Dave Lockhart hasn't looked into it yet, Kent Bushman mentioned it's not been too bad since it was cleaned up and barrels removed.
- 8 Republic Services vs others for dumpster-Kent Bushman was checking on his own service being switched to Midwest and asked about Club Dumpster. They would do for \$50 a month, dumped every 2 weeks. Paula said that is cheaper than Republic \$64 or Moring \$68, she will check on having service changed.

New Business

- 1 Mark Bainbridge wanted to try Skeet under the lights. Jon Bush brought bucket truck Thursday to shoot trap on Kent Bushman's request and adjusted the lights as they were set for Trap 4.
- 2 Electric company that came and did assessment for Com Ed rebates to switch to all LED said it would not be worth it with the cost of their travel. Still haven't heard back from 2nd company. Kent will try to do some checking with Com Ed and see if there is anything we can do on our own.
- 3 Dave Hendrix(sp) wanted to know about snow plowing. Consensus that we find someone else.
- 4 Q of H permit coming up end of year and Paula wants to get an early start on it so we don't have any delays.
- 5 Kent Bushman made motion that the Club waive the bonding of the Queen of Hearts Manager, Dave Lockhart 2nd, motion- adopted unanimously

Meeting adjourned at 8:21 PM
