Unfinished Business:

- 1 Pond report: No word on if Otters can be trapped out of season.**
- 2 Basement sealing and painting, gravel under skeet canopy and concrete in front of Trap Club. All on hold until 2021.**
- 3 Aluminum docks – not in yet.**
- 4 Archery Clubhouse, soffit, ceiling, insulation, tables? Kevin Cook able to look in attic, ceiling full of coon feces. Need to make building Coon proof before doing much else. No door at East End of attic.**
- 5 Insurance claim for losses, file by March 2021.**
- 6 Kent Bushman got a quote from WACC on plasma cutting a sign. 2 sides 14ga aluminum with 16ga steel painted in center, riveted, \$420. Kevin Cook had 1/4" material, aluminum each side with plastic corrugation inside, vinyl lettering for \$430. It was decided to pay a little more (\$465) and have WACC do the project with all aluminum and have them put Made by WACC 2020 in bottom right corner. Website in center of bottom with just the CSC caps & lower left corner Est. 1954. Logo in Black and rest in Red. Kent will follow up with WACC.**

New Business

1 Hunter Education Class? An instructor asked about using Trap Clubhouse to host Hunter Education. Motion by Gary Reeher to allow as long as current school Covid-19 regulations were being followed. (Wipe everything down with disinfectant before and after classes, masks unless 6 foot minimum can be maintained, etc.) second by Kevin Cook. Motion Carried

2 Have one year contract with Republic on dumpster at same rate as Wiersema was, will look at options in 9 or 10 months.

Meeting adjourned at 8:00pm

No 50/50 due to Covid-19
