New Business

- 1) Dave Lockhart received call from Propane company stating both tanks need new regulators in the Spring, approximately \$100 each. Also; Archery Club tank needs to be lifted out of ground and inspected which they will lift and inspect at no charge.
- 2) Paula reported Club insurance went from \$6015 to \$6884, discussion that it didn't go up 30% like a lot of personal experience with home and car insurance. In the past we couldn't find any company with the coverage any cheaper.
- 3) Paula just wanted to let everyone know she had taken the bookkeeping from Excel to Quicken but is now moving it to Zoho Books. It's web based and others could have access to it.

Meeting adjourned at 8:22pm
