Unfinished Business:

- 1 Pond report: **Pump & hoses put away. Pond down about a foot but holding. Rob will mow around ASAP. Smart weed that grew before water level came up should die and not come back with freeze. Some work left on a dock.**
- 2 Concrete in front of Trap Club. **No change.**
- 3 Archery Club-Landscape for run off away from building, Bathrooms, Fridge, Microwave? Baseboard, Floor. **No change.**
- 4 Concrete culvert under lower trail North of dike installation. **Gary Linton hopes to have installed by next meeting.**
- 5 Gahm Enterprises Fundraiser. **Nobody has talked to them about the fundraisers yet.**
- 6 Grants for bathroom remodeling at Archery Clubhouse. **Kent Bushman gave Dave Lockhart the ladies name and number from Bank that may be able to help. Dave was going to work on that while laid up with shoulder surgery.**
- 7 Some wires up a pole need replaced. **Kent Bushman checked wire up pole by water faucet and found no problems. Possibly a different pole, Rob Miller will look at other pole.**
- 8 Clay Target update. **White Flyer Blackouts; average 5 per squad breaking as they come out of the house. When hit the break better than Lowery which break better than Euro's. Going to try a couple more pallets due to convenience vs the Lowery targets from Canada.**
- 9 Skeet walkway and Archery steps & platform repair. **Gary Linton & Chris McCauley will repair archery platform. Skeet still working on someone to lead the project.**
