New Business

- 1 Kent brought up that Tri-County Gun Club charges an assessment if dues not paid on time. Something to think about.
- 2 New cribs are pushing in because no deadheads and side boards not run pat front of cement. Rob will get angle iron to Dave who will drill it and then we'll try to push walls back and anchor angle iron to cement to prevent them from pushing in again.
- 3 Greg Miller would like to paint, put new rope and solar light on Flag Pole. Kent can get flag for \$35 from Legion. Greg recommends taking flag and light down from November 1 to March 1.
- 4 Storm doors on Trap Club House need replaced. Paula looked up and 2 doors at Menards around \$323, Kent will get and Dave will help install them.
- 5 Chris talked about Wi-Fi at Club for gates and cameras. Paula said cheapest that she felt would work was \$130 install and \$60 per month. No action taken.
- 6 Chris brought up that the fence at gun range needs replaced along with some of the fence posts. Nobody had a problem with the estimated cost.
- 7 Paula received an inquiry about dogs swimming in pond. It was agreed that it's allowed but put a sign up at owner's risk due to fact in the past some people have said dogs got sick from the pond.
- 8 Brenda Linton had asked Paula about doing another Deep Clean at the Archery Club House. It was decided not this year.
- 9 Paula set up a Google Voice phone number that goes to her and Dave, whoever answers first gets the call. Can send text from it but only 20 at a time. The program Paula is using for the mass emails allows 160-character texts for 1 cent each, if over that it's 2 cents. Everyone thought it would be good to send Emails and Texts for upcoming events, etc. Paula still checking on where replies to the text go.

- 10 3D shoot had 69 shooters, 32 were MAC affiliated, \$1,070 income. Food was \$720 with a \$340 profit with some food remaining for next shoot. Sunday was not a good day due to bad weather.
- 11 Letters on the Sign at Archery gate are blowing off and Paula will look at getting replacement strips that they go into.
